Note re [redacted] conversation with White

Col. White is pretty fluid in his views on language awards. He says he'll wait until the Language Comm's recommendations are written up & can be reviewed. But he thinks we can't renege on achievement awards. Instead, we oughta cut out maintenance awards & do so about 1 April after ample notice to Hq & field.

Neither [redacted] nor White is optimistic about our ability to get any requirements out of DD/P. So they don't see why our over-all proposals need await any attempts to get this part of info. WW
